### Monaco Grand Prix

Monte Carlo: May 25-29, 2023

The Monaco Grand Prix will take place May 28, 2023 on the Circuit de Monaco. As one of the world's most recognized destinations and iconic sporting events, the Monaco Grand Prix is a true bucket list experience for any traveler. This prestigious race has been running since 1929 on the very same track, through the very same streets. Being that it's considered the royalty of auto racing, it is fitting that there be royalty at the event. In its history, the Monaco Grand Prix has been overseen by three generations of Monaco's royal family. The Monaco circuit is praised for its glamour and the prestige, and never seems to disappoint. From Monaco's nobility to the entertainment world's A-listers, this is an event of big names and bigger action.

Live events are pure magic and there are so many different types to experience, I wanted to highlight just a few in this month's edition.
