

SEE YOUTHERE

March **2022**

In case you did not know, I am originally from South Africa and I am passionate about travel...

Not just any travel, but the good stuff... I believe travel should mean something and provide memories to last a lifetime. Being South African means I know my 'backyard' and how to do a safari. There are a lot of rookie mistakes that can easily occur but myself and my trusted partners are there to ensure it is done right, the way it should be! To plan the perfect trip requires attention to detail and understanding what my valued clients wish to experience on this unforgettable journey. This month I am showing off just some of the magic you can expect.

A sample itinerary...

Day 1 NAIROBI
Overnight at Giraffe Manor on half board basis.

DAY 2 - 3 LAIKIPIA

Day 2
Breakfast at your hotel, scheduled flight departing to Nanyuki Airstrip. Upon arrival at the airstrip, you will be met by the camp vehicle. Game drive en-route to your camp. Lunch at your camp. Afternoon game drive.

Day 3
Segera is centrally positioned in the heart of Laikipia, one of Africa's – and the world's – most exciting safari destinations, boasting the second highest density of wildlife in Kenya.

During your safari on Segera, you can expect to see herds of elephant and buffalo, predators such as lion, leopard or cheetah, plains game including multiple species of antelope and zebra, important populations of Reticulated giraffe, Lelwel's hartebeest and sometimes our protected endangered species of Grevy's zebra, Patas monkey and African Wild Dog.

DAY 4 - 6 MASAI MARA NATIONAL RESERVE

Day 4 Masai Mara
Breakfast at your camp. Scheduled flight departing to the Masai land. Red-clad, with spear Masai warriors tend their herds of cattle among the wildlife, admirably unmoved by the presence of large predators. Upon arrival you will be met by the camp driver. Afternoon game drive in search of wildlife. Overnight at Angama Mara (tented suite) on full board basis.

Travel with a difference...

Not only will your safari provide you and your family the experience of a lifetime, your vacation will contribute to the animals and their wellbeing. I only work with the best! Trusted partners who take care of the planet, animals, and make this world a better place. Sustainability is a very important factor when you travel to visit the animals in their natural habitat. Let's make a difference together!

Travel style

Depending on varying factors, some clients may prefer to stay within South Africa, which would provide you the opportunity to experience the beautiful cities, amazing food, heritage, wine regions and first class safari without any inoculations or leaving the country.

You can be escorted right from the the tarmac all the way until you depart.

Want to be more active? No problem! Active/walking safaris can be arranged.

Spotlight on Safari continued

Day 5 & 6 Masai Mara

Morning and afternoon game drives in this spectacular game reserve, all with superb photographic opportunities. Blessed with a permanent water supply, Masai Mara has a permanent population of plains game. The "big five" – elephant, buffalo, lion, leopard and rhino are quite common. Today you may opt for an early morning balloon excursion to experience the panoramic Mara from a birds-eye view (optional and not included in the price). Overnight at Angama Mara (tented suite) on full board basis.

DAY 7 - 9 SINGITA SERENGETI GRUMETI

Day 7 Fly to Serengeti National Park

Breakfast at the camp. Your flight departs to Serengeti. Enjoy a short game drive en route to the camp. The vast grasslands of the renowned Serengeti National Park provide what many consider to be the quintessential African game viewing experience. Meaning 'endless plains' in the language of the Maasai, this land of immense open spaces is home to literally millions of large herbivores, as well as the accompanying carnivores. The Serengeti is renowned for having the largest concentration of migratory animals in the world, and is also famous for its large lion population. The Serengeti National Park forms part of a huge conservation area, encompassing the adjacent Ngorongoro Conservation Area, as well as the Masai Mara National Reserve in Kenya. With no fences or man-made barriers, huge numbers of wildlife move freely throughout this area. Arrive at camp at sunset after the afternoon game drive to enjoy your dinner and retire for the night. Overnight at Singita Faru Faru Lodge (suite) where you stay for the 3 nights on full board basis.

Day 8 & 9 Full days in the Serengeti National Park

Depending on your preference, there are a couple of options with regards to how your day is structured. One option is to break camp early and head out with a picnic breakfast returning to camp in time for lunch. Alternatively, you can eat breakfast in camp and head out with picnic lunch returning in the mid-afternoon. Dinner and overnight at Singita Faru Faru Lodge (suite).

DAY 10 - 11 NGORONGORO CONSERVATION AREA

Day 10 Ngorongoro

After breakfast at your lodge, board your flight to Manyara airstrip. Upon arrival you will be met by the lodge vehicle. Drive through the Ngorongoro Highlands to your lodge situated near the crater rim. The crater covers over 102 square miles (250 square kilometres) of land and is the home of the rare black rhino, prides of lion, elephant, cheetah and great herds of buffalo, antelope and wildebeest. Lunch at your lodge. Afternoon spend at leisure. Overnight at Ngorongoro Crater Lodge (suite) on full board basis.

Day 11 Ngorongoro

Today you will descend 600m (over 2000 feet) to the floor of the crater for a full day crater tour with picnic lunch boxes. Explore the forest areas that are inhabited by monkey and elephant, the lake area, where you may see the flamingos and the open savanna where the lions hunt for food. Dinner and overnight at Ngorongoro Crater Lodge (suite).

Day 12 Depart

Breakfast at your lodge and then homeward bound.
